BCC's priority is the health and safety of the children, families, staff, and surrounding Belmont community. During this time in our nation and around the world, BCC is taking every precaution during the COVID-19 pandemic. We are actively monitoring recommendations from the Centers for Disease and Prevention (CDC) and the Lancaster County Health Department (LLCHD). Their direction will continue to guide our actions.

I understand that in the case of an emergency or exemption of the procedure I will sanitize, wear a mask, and keep a social distance from staff and/or other students.

BCC COVID-19 Procedures

Initial _____ I understand that my child's temperature will be taken each day before entrance into programming. I understand that my child, if over the age of 2, will wear a mask at all times while in the facility and on facility premises. I understand that my child will be required to wash their hands using CDC recommended handwashing procedures throughout the day using warm running water and rubbing with soap for at least 20 seconds. All staff and adults in the facility will also be required to wear a mask.

Initial _____ I understand that to enter upon the facility premises my child must be free from COVID-19 symptoms. If, during program, any of the following symptoms appear my child will be separated from the rest of those in the center. I will be contacted, and my child MUST be picked up from the facility within 30 minutes of being notified. All other students will be removed from the previous area, directed to wash hands, and all surfaces, supplies, and toys will be sanitized.

Symptoms include,

- fever of 100.4 degrees Fahrenheit or higher
- dry cough

Your child will need to be symptom free without any medications for 72 hours before returning to the facility.

If at the end of the 14-day period the student and caregivers has not experienced any symptoms, return to the Belmont Community Center is allowed. If the student or caregiver has experienced symptoms, medical clearance will be required before returning. I agree to follow all other protocols that coincide with Lincoln Public Schools in reporting, quarantining, and returning to school in the event of having COVID-19 symptoms or a positive test result.
